

Mill Point Resort, LLC Cottage Rental Agreement

Please sign, date, and return this rental agreement in order to secure your reservation. You can mail it back with your check. Your signature on this agreement or your taking possession of the cottage after receipt of this agreement, or your payment of money is evidence of your acceptance of the agreement and intent to use this resort for a vacation rental. You will be sent a confirmation letter as soon as this signed agreement and the deposit is received.

Rent deposits: Reservations require \$200.00 (for each week in each cottage) deposit made by check to guarantee your reservation. Your check along with this signed agreement must be received before the rental unit will be secured for your reservation. The balance is due prior to your departure from our resort.

Cancellation policy and refunds: We know that plans can go astray. However, we rely primarily on advance reservations - and cancellations cannot always be filled. So to be fair to all concerned, our policy is as follows: Any deposit paid, less a \$50.00 processing fee, is refundable if the reservation is canceled at least 60 days prior to your arrival date. If you cancel during the 60 days prior to your arrival, you will forfeit your deposit and be responsible for the rental fee. If the canceled reservation is re-booked by someone else, we will return your rental fee, less a \$50.00 processing fee. No-shows will be charged in full unless the cottage is re-rented. **There will be no refunds due to weather, changes of plans, or early departures. All guests are financially responsible for the entire booking once your reservation has been made.**

Check-In Procedures: Upon arrival you should park behind your assigned cottage. Two vehicles per cottage. The cleaning crew will leave your key in the cottage door. We will verify that the number of guests coincides with your reservation, and will be happy to answer any questions you may have.

Returned check fee: There is a \$50.00 per check fee for all returned checks.

Rental Policies: We cater to families and strive to provide a memorable lake vacation experience. Renters agree to abide by our Mill Point Resort rules that are posted in each cottage.

Each cottage comes fully furnished including dishes, silverware, cookware, coffee maker, filters, microwave, a supply of toilet paper, dish soap, hand soap, bed linens and cleaning supplies. **You provide your towels and life jackets.** The resort is not responsible for any item left in a cottage by a renter. If the managers are requested by the renter to return any item left in a cottage, items will be returned by UPS or US Postal Service for a charge of the shipping costs plus \$15.00 handling fee.

Maintenance: Please report any problems or damages to your cottage the day of check-in to the managers (Mark or Roger @ 715-543-2120). If not reported, we must assume the damage or loss occurred during your occupancy and we will have to charge you. When maintenance needs arise during your stay please contact the managers. It may be necessary for them to enter the cottage during reasonable hours to perform minor repairs.

Housekeeping: Housekeeping is not provided during your stay. Please check out on time so the cottage can be made ready for the next guests. Our housekeepers take great care to provide the guests with a clean cottage.

Minimum Age required to rent a cottage is 21 years and the person who books the cottage must stay at the cottage for the entire rental period. Sub-letting or parents renting for their children under the age of 21 is NOT allowed. No student groups or house parties of any kind.

Maximum Occupancy: The number of persons occupying your cottage shall not exceed the number stated on your reservation. If additional persons are added after your reservation is secured you must inform us upon arrival and charges will be added as necessary. The cottage maximum capacity cannot be increased. Renters may be subject to cancellation/penalties if numbers exceed confirmed occupants listed. This is a violation of the rental agreement.

Visitors: We limit the number of visitors at our resort to insure the enjoyment and privacy of all guests staying at the resort. Pre-approval is required for any day visitors. Please check with a resort manager in advance of your visitor's arrival. Day visitors must leave the resort by 10:00pm. Overnight visitors are not allowed.

Check-In and Check-Out times: Check-in is 2:00pm and check-out is 10:00am. While we make every effort to have your cottage ready, there may be a delay during peak season and your patience is appreciated. An additional night stay will be charged for late check-outs.

Smoking and smoke detectors: There is no smoking allowed in our cottages, game room or any of our resort buildings. If we find evidence of smoking inside any of our properties, you will be required to leave the resort. There are smoke detectors in all of our cottages, do not unplug or remove the batteries from them. There are also fire extinguishers, next to the stove, in case of an emergency.

Pets: Pets are NOT allowed at the resort at any time.

Fireworks: Fireworks of any kind are NOT allowed at the resort at any time.

Default by Guests: In the event any guest (or the guest's invitee) breaches any covenant or obligation under this agreement (or the resort's rules posted in each cottage); such occurrence shall constitute a default by the guest. In the event of a default by the guest, the owners may terminate this rental agreement immediately upon notice to the guest, declare the rental agreement to be ended, take possession of the cottage in the manner provided by law, and exercise such rights and remedies as may be available to the owner at law or in equity. All rights and remedies of the owner shall be cumulative and no right or remedy shall exclude any other right or remedy allowed by law or in equity.

Campfires: All our cottages have use of the common fire pits, with wood provided for the enjoyment of our guests. We enforce all local burn bans.
